fraction of the 868 teacher states widened
integer payoffs (Δ = 1)
graded payoffs (Δ = 0.0662)
proof needs ε < Δ/H
class opens at ε = Δ
tolerance ε, in units of Δ
histories added (log)
integer repair
graded repair
tolerance ε, in units of Δ
2εH / measured deficit
bound / measured, integer
bound / measured, graded
tolerance ε, in units of Δ
repair certified (W = 1)
repair not certified
